SPA ETIQUETTE

Our Spa environment is one of tranquility and relaxation. Please respect all spa guests' right to privacy and serenity.

WHAT IS THE SPA'S PROCESS?

We recommend that you check in at the Spa reception desk at least 15 minutes prior to your first scheduled appointment. This allows you to have time to change, relax and enjoy a beverage while waiting in the Relaxation Lounge until you are taken back for your treatment.

WHAT DO I WEAR TO MY TREATMENT?

The Club provides a bathrobe for you to wear or you may wear what is most comfortable for you. However most body treatments are enjoyed without clothing.

WHAT IF I'M LATE FOR MY TREATMENT?

We do ask that if you are running behind schedule that you call ahead and let us know. We have multiple appointments and arriving late may simply limit the time for your treatment, lessening its effectiveness and your pleasure. Your treatment will end at the scheduled time, so that the next guest will not be delayed.

AGE REQUIREMENT

The minimum age requirement for access to the spa is 14, unless accompanied by an adult. For massage treatments a parent or guardian must accompany anyone 17 and under in the treatment room.

HEALTH CONDITIONS

Please advise us of any health conditions, allergies or injuries that could affect your service when making your spa reservation.

In keeping with our commitment to cleanliness, safety and hygiene, our equipment is sterilized and sanitized after every service and treatment.
